<td>Small (#SH06018) Grey Stripe</td>
<td>Up to 24” (60cm) Stockinet Length: 30”</td>
<td>* Foot to Mid-Thigh</td>
</tr>
</tbody>
</table>

---

**Directions for Use:**
- Roll the EdemaWear stockinet up in your hands like you would a stocking before putting it on.
- EdemaWear can be placed on a swollen or painful extremity by placing a plastic bag on the foot and pulling the EdemaWear stockinet over and above the plastic bag. Bag is then removed.
- Remove daily and reapply.
- To prevent EdemaWear stockinet from rolling down or up on the limb, turn over the top of EdemaWear making a 3” cuff, or turn EdemaWear inside out.
- Cut to needed length. EdemaWear will not unravel.

**Recommended Care:**
- Machine wash EdemaWear in cold water.
- Do not use bleach.
- Hang dry. Do not put in dryer.

**Materials:**
- Medical Grade Lycra Spandex
- Nylon
- **NOT MADE** with Natural Rubber Latex

**HCPCS:**
- A6457 when used on an open wound

---

**Made in the U.S.A.**
